STUDY JAZZ AND POPULAR MUSIC IN VIENNA

JAM MUSIC LAB PRIVATE UNIVERSITY

JAM MUSIC LAB

Private University for Jazz and Popular Music

The University provides compelling artistic and pedagogic studies focused on music expression in the 20th and 21st centuries, transcending the conventional boundaries of classical music to encompass a wide array of innovative musical genres. Our programs highlight the profound influence of technology on the art, science, and industry of music.

ACADEMIC PROGRAMS

Bachelor's and Master's degree programs, comprising four and two years respectively, are offered in the fields of artistic expression and music education:

- Instrumental Studies
- Vocal Studies
- Composition and Music Theory
- Music Education
- Media Music, Film Scoring and Production
- Arts Management
- Arts for Health

WHY VIENNA?

Vienna's appeal as a study destination lies in its longstanding tradition of supporting and nurturing the arts, making it an attractive choice for students. The city's commitment to fostering musical talent and promoting artistic development creates a vibrant atmosphere that continues to inspire and empower creators. In addition to its cultural legacy, Vienna boasts a high standard of living, safety, and overall quality of life, positioning it as a world leader in these aspects.
